

Cherokee Nation Code Annotated

Title 27: Environmental Quality

Chapter 12: Lead-Based Paint

§ 1203. Definitions

Cite as: 27 CNCA § 1203

As used in the Cherokee Nation Lead-Based Paint Act:

1. **"Lead-based paint"** means paint with a lead content of 0.5% or greater (5000 ppm). Coatings of residential paint are considered to be lead-based if the lead content exceeds 1 mg/cm² or 0.5% by weight.
2. **"Program"** means the Cherokee Nation Lead-Based Paint Program as defined in 27 CNCA § 1204.
